Life Stages

During the first trimester (weeks 1-12) your baby grows faster than at any other time. By six weeks, a heartbeat can usually be heard and by the end of week 12, your baby's bones, muscles, and all the organs of the body have formed. At this point, your baby looks like a tiny human being and is now called a fetus.

TODAY

To Our Visitors - WELCOME! We are very happy you have come to worship with us today. We invite you to stop by the Welcome Center in the foyer to pick up a Visitor Brochure that will help acquaint you with New Hope. Visitor cards are available in the pew rack if you would like to leave a record of your visit. If ever we can serve you, please let us know. Thank you & may God bless you.

There is a **Nursing Mothers Room** available in Room 140 next to the first floor women's restroom.

If you are **new to the church** and haven't had an opportunity to get acquainted with Pastor Weaver, you are invited to join him on the **west end of the foyer** during Sunday School for an informal time of refreshments and sharing.

Missions Board Meeting today at 4:45 in the SC Conference Room.

Celebrate Recovery begins at **5:45 p.m.** in the Student Campus. Beginning on September 8, Celebrate Recovery is changing over to Tuesday evenings. If you would like to help with the Nursery or Celebration Station (ages 5-11), contact Di Jaehnel or Daniel Murtha.
