

NEW HOPE BUSINESS DIRECTORY

Disclaimer: The purpose of this business directory is to provide information about businesses owned and operated by those from New Hope Assembly. New Hope does not endorse or promote any of these businesses, but merely provides the information as a resource. This is simply a list of professionals or businesses, and no recommendations or guarantees are made regarding the quality of service you might expect from any of these listed.

We encourage you to shop smart, do your research and ask for references before doing business. Make sure to get a quote before any work is done. Check to make sure that it includes a summary of the work, a description of materials, the total price, specific timelines and what will happen if the contractor fails to meet the deadlines.
